### **3D Printed Damiens Devils**

Designed by Damien, these lures are 3D printed

There are two materials we use to print these, either a PLA or ABS. PLA is a similar material to Lego blocks, where ABS is more of a harder plastic but is biodegradable

More colours will be added as we expand the range.

Can come rigged or unrigged

Should you have a particular colour you need let us know and we will arrange to fill your request.

We are also available to print your own design, a small charge is made for the print and would only be used by yourself

Colour Options

Rigged or Unrigged

### **15G WEIGHTED TROLLING FEATHER OCTOPUS - RIGGED**

Weighted featherhead with three 5" octopus skirts, when rigged comes with a stainless steel game hook and 1.5m of 80lb mono, this lure is a very price worthy addition to your skippy catching arsenal. Run these by themselves as a lure or rigged up in a daisy chain.

Available colours: Blue/Pink, Red/White, Purple/Black, Orange/Yellow, Blue/Silver, Zucchini

## Kuziba Squid Lure

H2Opro all New Kuziba Squid series lures has been specifically designed to be used in a variety of different setups, it's unique double concave faces ensures a secure fit for a weight or a bait at the rear and a irresistible popping action at the front, ensures an irresistible smoke trail. Making this the most versatile lure head on the market today

Currently offer in 9 and 11" with various colour options, either rigger or unrigged Hook size of 6/0 stainless steel.

### **KIM'S KILLER -Five 2" B2 SQUID DAISY CHAIN/HEX JET**

Extremely effective and great value-for-money daisy chain developed by our own Captain Kim Stuart, this 5.6M length daisy chain features 5x soft 2" Pink B2 squid on 100lb, 15cm traces crimped directly onto the 150lb main line in the opposite direction of flow. This causes the squid to splay out when trolled, bouncing and splashing on the water surface, creating a commotion sure to attract predators. Anchored with a double skirted, 6/0 stainless-steel big-game hook-rigged Hex-Jet, this new addition to our product line delivers and lives up to its moniker.

Target Fish: Marlin, Sailfish, Yellowfin Tuna, Bluefin Tuna, Wahoo, Dorado, Spanish Mackerel, Barracuda, Albacore Tuna

Colour options (lure only): blue/white, blue/pink, red/black, purple/black, pink/white, zucchini

## **MML FEATHER DAISY CHAIN with 4" B2 LUMO SQUID**

Three B2 Squid 4" Lumo Daisy Chain with lead-weighted, 8/0 hook rigged small MML Feather stinger. Superb action and quality combined with great value for money make this an essential part of your tackle box

Colour Options Pink, Pink/White, Red/White, Blue/White, Purple/Black, Red/Black, Zucchini

### **Slap Happy Daisy Chain:**

The Slap Happy Daisy Chain is a large daisy chain of B2Squid rigged together with 300lb leader. Each 9" or 7" weighted squid is rigged with a flexible bar that has 2 smaller 4" squid that slap along on each side of it.

Total of 4 sets of 9" or 7" B2 squid with their smaller cousins, rigged in a daisy chain that really create excitement.

This highly effective game fishing teaser has a skipping, slapping action that looks like a school of flying fish skimming along the surface. Dorado, Marlin, Sailfish, Tuna, you name it - ALL GAMEFISH LOVE THIS TEASER.

Total length is over 2m. Easy to run and very easy to pull in as there is nothing hard or heavy to damage your boat as it's dragged over the transom.

The Slap Happy Daisy Chain is rigged with a 5" Hummingbird-tail and heavy-duty ball bearing snap-swivel on which to attach your favourite lure and ready to fish.

Originally designed by Bob Duckenfield of Jim's Bait & Tackle New Jersey, this style teaser is now world famous and simply deadly.

Single bars are also available for you to make up your own custom teaser!

Target Fish: Marlin, Sailfish, Yellowfin Tuna, Bluefin Tuna, Wahoo, Dorado, Spanish Mackerel, Barracuda, Albacore Tuna

## MYLAR WITCH DAISY CHAIN

Three Mylar Witches and a Small Mean Machine Lure (rigged with 8/0 big game hook) as a daisy chain for a neat, flashy and effective daisy chain heavy enough to run a couple of knots faster than usual.

Colour of Mean Machine Lure: Pink, Blue/White, Purple/Black, Green/Yellow/Orange

## KIM'S KILLER - Five 2" B2 SQUID DAISY CHAIN/HEX JET

Extremely effective and great value-for-money daisy chain. 5.6M length daisy chain featuring five soft 3" Pink B2 squid on 100lb, 15cm traces crimped directly onto the 150lb main line in the opposite direction of flow. This causes the squid to splay out when trolled, bouncing and splashing on the water surface, creating a commotion sure to attract predators.

Anchored with a double skirted, 6/0 stainless-steel big-game hook-rigged Hex-Jet

Colour options (lure only): blue/white, blue/pink, red/black, purple/black, pink/white, zucchini

## MML FEATHER DAISY CHAIN with 4" B2 LUMO SQUID

Three B2 Squid 4" Lumo Daisy Chain with lead-weighted, 8/0 hook rigged small MML Feather stinger. Superb action and quality combined with great value for money make this an essential part of your tackle box

Colour Options Pink, Pink/White, Red/White, Blue/White, Purple/Black, Red/Black, Zucchini

## **Kamara Wahoo Daisy Chain**

12-inch double skirted lure on our new ranch of colours with ultra-hard PVC/Epoxy head and natural or coloured abalone lead-weighted insert.

Rigged behind 3 Bulb Squid on a 10/0 7691 stainless steel hook, makes for an awesome lure

# TEASERS

## FLEX BAR TEASER/ DAISY CHAIN

14" Flexible bar with a weighted B2 7" squid in the centre, two additional B2 squids off the centre drop, with a swivel clip to attach a lure. On each side, off the tips of the flexible bar are attached two trailing 5" octopus squid. When run, the rig creates a splashing action, like baitfish eluding prey. Great value for money, easy to store, completely soft and flexible.

Colour options: purple, pink, blue, green, lumo, orange/yellow

## FLEX BAR - TEASER STRIPS

14" Flexible bar with a weighted B2 7" squid centre, an additional B2 squid trailing off the centre drop, with swivel clip to attach to lure. On each side, off the tips of the the flexible bar, are clipped 3-Fish length holographic ballyhoo teaser strips. Effective and flashy - also great value for money. Soft, flexible and easy to store.

Colour options (squid only - strips are holographic silver): purple, pink, blue, green, lumo, orange/yellow

## FLEX BAR - MIRROR JETSLEX BAR

14" Flexible bar with a weighted B2 7" squid centre, 1 additional B2 squid trailing off the centre drop, with swivel clip to attach to lure. On each side, off the tips of the the flexible bar, are clipped 2 Mirror Jet C teasers, skirted in PVC/Tinsel. With their cupped heads and flash, these create a lot of action with little effort. Also great value for money.

Colour options: blue/white, orange/yellow, zucchini, purple/black, red/white, blue/silver

## Flex Bar X-Front

A further addition to the Slap Happy daisy chains - the top two B2 Squid are rigged with two 14" Flex bars through the main squid in the shape of an X. These have a total of four 4" lumo B2 Squid on the tips. Inspiring a very unique but irresistible action, this deadly combo, trailing three weighted trailing squid with a snap swivel in the final squid to add a stinger lure is guaranteed to bring results. Soft and easily stored.

Colour options: green, purple, rasta, blue, pink

## SLAP HAPPY Flex Bar Dredge

Same as description for SLAP HAPPY X-FRONT/7", but using 9" B2 main squid.

Colour options: green, purple, rasta, pink, blue, lumo
